THERMAL INSULATION

(Engineering & Contracting Services)

ATP THERMTECH PRIVATE LIMITED

***Committed to providing
complete satisfaction
to our clients.***

- **HOT THERMAL INSULATION**
- **COLD THERMAL INSULATION**
- **ACCOUSTIC INSULATION**
- **WRAPING AND COATING OF PIPES**

ATP THERMTECH PRIVATE LIMITED is a well established engineering and contracting company for providing specialized services in thermal insulation and allied applications.

We have acquired over 20 years of experience in the field of Oil & Gas Sector, Process Industry, Textiles, Food Processing, Engineering Industry, Cement, Nuclear, Fertilizers etc. by executing challenging jobs even in harsh conditions.

Our competence includes Design, Engineering, Thermal Calculations, Supplying quality materials, Installation, Commissioning and Guaranteed Performance of our services.

Equipped with a team of experienced and skilled man power, tools, tackles and associated equipment, we are armed to handle insulation jobs in the area of Hot, Cold and Acoustic insulation.

Dedicated staff and highly motivated supervisors' team ensure construction and installation are carried out efficiently in defined time frame.

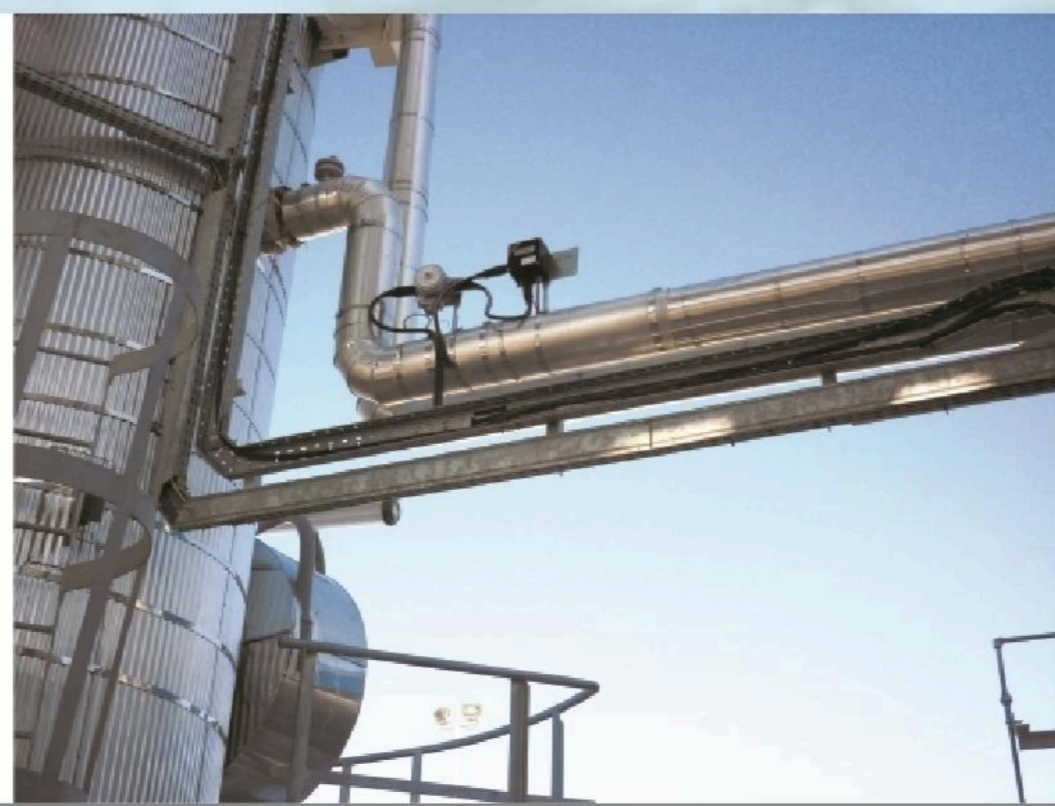

Our intensive field experience and continuously improving skills have equipped us to serve every requirement of insulation world. we offer complete package for design, engineering & installation services in the application areas of :

- HOT INSULATION
- COLD INSULATION
- ACOUSTIC INSULATION
- REFRACTORY INSULATION
- DECORATIVE FALSE SEALING
- CRYOGENIC INSULATION
- ROOF OVERDECK
- UNDER DUCT INSULATION
- COLD STORAGE INSULATION
- IN-SITU INSULATION

CLIENT SUPPORT SERVICES

- TECHNICAL ADVISE
- SITE VISITS

- TECHNICAL SPECIFICATIONS SUPPORT

A BRIEF LIST OF THE INDUSTRIES SERVED

Chemical Process Industry
Pharmaceutical Industry
Cement Industry
Fertilizers
Oil & Gas
Sugar
Automobiles
Food Processing
Soaps & Detergents
Milk Dairy
Hydrogenation Plant
Power Generation
Nuclear Power Generation
Textiles
Ceramic & Glass
Tele-Communication
Bitumen and Coal tar
Engineering
Moving Lorries
Iron & Steel
Rubber, Paints & many more

PARTIAL LIST OF OUR ESTEEMED CLIENTS

Numligarh Refinery
Hindustan Unilever
Nestle
Mother Dairy
Asian Paints
Heavy Water Plant
Dabur
OCM Woollen Mill
Oswal Cotton
Nahar Fabrics
NPCIL
Tyco Thermal
Johnson Diversey
Aditya Birla Cement
BHEL
Toyo Springs
Pepsico
Nectar Life Science
Parle
Chemex Oil & more
